English

Continue to have the Student write a variety of documents 2/10/2012 Complete

Any notes you entered regarding the Student's progress on a particular Skill will be included here.

I just added a whole bunch of extra text to see how it would look on the report, I clicked Save on the Edit Notes window but then clicked Close rather than Save and Close on the actual Skills Progress item and so lost all the wonderful things I typed. Oh well. This will have to do as a replacement.
